3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Help Grandfamilies
5 Prevent Child Abuse Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds as follows:

8 (1) More than 2,600,000 children are being
9 raised in kinship families by relatives or close family

1 friends without their parents in the home, and the
2 vast majority of such children are raised outside of
3 the foster care system.

4 (2) The majority of kinship caregivers are
5 grandparents, and such families are commonly re-
6 ferred to as “grandfamilies”.

7 (3) For every child in foster care living with rel-
8 atives, there are 19 being raised by relatives outside
9 of the foster care system.

10 (4) More than one-third of all children placed
11 in foster care because of parental drug or alcohol
12 use are placed with relatives.

13 (5) Children who have been exposed to sub-
14 stance misuse in the home may also experience
15 abuse and neglect, and research indicates that chil-
16 dren in family foster care because of substance use
